

SolidityAST.TestMain.Main

SolToBoogieTest.Program.Main

SolidityAST.ReggressionExecutor.
BatchExecute

```
graph LR; A[SolidityAST.TestMain.Main] --> C[SolidityAST.ReggressionExecutor.BatchExecute]; B[SolToBoogieTest.Program.Main] --> C;
```

The diagram illustrates a relationship between three code components. On the left, two white rectangular boxes are stacked vertically. The top box contains the text 'SolidityAST.TestMain.Main' and the bottom box contains 'SolToBoogieTest.Program.Main'. On the right, a larger gray rectangular box contains the text 'SolidityAST.ReggressionExecutor.' followed by 'BatchExecute' on a new line. Two blue arrows originate from the right side of the top white box and the right side of the bottom white box, both pointing towards the left side of the gray box.
